Report (Temerian Partisan Hideout)

This **report** is found on a desk at the Temerian Partisan Hideout.

Journal entry

Subject seen in a cabin aboard the Tretogor. I have observed that he is a fervent chess player. To this end he makes frequent incognito visits to a certain building.

Yesterday I tried to eavesdrop on a conversation. I have the impression someone is onto me. I was followed, but managed to lose my tail...

Report (Tir ná Lia)

This **report**, written by Inglor Helyanwë, can be found on a fountain in the Palace of Awakening in Tir ná Lia, during the quest Through Time and Space.

Journal entry

Despite the significant measures already undertaken, the situation in the outer regions of Tilath na Viell, Tilath na Lia and Tilath na Crob've provinces has not improved. The Sages sent to handle the matter in the field have merely succeeded in delaying the advance of the White Frost, which slowly yet surely engulfs more and more territory. We must accept that Tilath na Buhne is now completely lost - the Sages did not reach it in time.

I recommended the swift evacuation of the endangered provinces and a strengthening and radicalization of measures intended to seize Aen Seidhe territory. Otherwise i must ask to be freed of responsibility for the provinces under my jurisdiction.

Inglor Helyanwë, Viceroy of the Western Shore
